My congratulations go to both Clubs for reaching the Final, and we thank all the Clubs who participated in the prior rounds for making a valuable contribution towards the Competition this Season. Our appreciation also goes to the Referees that officiated in all our Cup matches, and the valuable service they offered.

We appreciate your experience this year will be a little different from previous years. However, I am sure we will be thoroughly entertained by an exciting Final, and hope you will all have an enjoyable day.

## Bracknell Rangers FC History

Despite being officially founded in 2019, this group of boys has been together for a number of years. Previously playing under the Wokingham and Bracknell (WAB) name, we made our way up through the Bracknell Sunday league winning back to back promotions from Division 2 in 2016/2017 and then from Division 1 into the Premier Division in 2017/2018.

In our first season in the Premier Division, we consolidated our place finishing in mid table in 2018/2019 before challenging for the title in 2019/2020 before the season was cancelled early due to COVID-19.

Our first taste of silverware came in the 2016/2017 season when we won the Junior Cup at Bracknell Town in a memorable evening for everyone involved.

Our run to the Aldershot Cup Final has seen several formidable hurdles in the form of 2017/2018 winners Fernhill and last season's winners Lightwater and we are excited to try and add the Aldershot Cup to our list of honours!

## Bracknell Rangers FC Player Profiles

Ben Simmonds (GK) - A relatively new member of the squad who has added a bit of stability at the back.

Cory Smith (GK) - Our long-term keeper from our journey up the leagues. Would challenge the top linesman in the premier league despite having the worst view on the pitch!

Luke Pearse - A true British lion. The touch needs some working on but he will always give it 110% no matter what.

Danny Tippett - Sunday league's best LB. Can get up and down the wing for a full 90 no problems. Good luck to anyone playing at RW!

Lenny Musgrove (C) - Captain fantastic. The only man in the squad who plays better after a night out than a night in. Dominant in the air and chips in with a goal or two!

Mitch Quelch - Our Vice Captain who can play anywhere across the back. Assured with the ball at his feet and a calming influence at the back.

Joe Henry - The enforcer of the squad. Can play almost anywhere on the pitch. To quote Peter Crouch, "Decent touch for a big man."

Ricky Taylor - The English Kante. Doesn't stop running and makes more tackles than anyone on the pitch guaranteed.

George Lovell - Despite his scruffy looks, Lovell is a magician in the middle of the park. He can assist from almost anywhere. Doesn't mind a tackle...

George Lock - Football in Berkshire's poster boy and the most technically gifted player in our squad. He may play at the back for Ascot, but goals and assists have been key for us in recent years.

Jesse Faulkner - Our very own Tesco value Neymar. Exquisite touch and flashy boots but can he back it up on the pitch?!

Luke Hanley - Can run for days and has the technical ability to back it up. An essential member of our squad wherever and whenever he plays.

Shaun Wyllie - He can run for England (quite literally) and is our engine in the middle of the park. Add to that his touch, vision and tenacity he's almost unstoppable!

Ollie Noyes - The fastest member of the squad by quite some distance. He makes Usain Bolt look slow. Add to that goals and assists and you have yourself quite some player.

Ryan Martin - Goals, Goals, Goals. Our top scorer from last season. He can score from anywhere with any body part. Head, left foot, right foot and even his shins...

Ryan McManus - One of the more experienced members of our squad. Lethal strike and a powerful runner.

Bradley Brown - A born goal scorer. He can score from places most people wouldn't even consider shooting from. Not sure about the penalty spot though...

Joe Collins - The money man and one of the hardest grafters on the park. Just don't let him anywhere near a shot on goal!

## FC Fleet Player Profiles

### PLAYERS

<b>CHRIS HARRIS</b>	Composed and assured in goal. If he wants something done he gives the eyes and it gets done
<b>KASH BREDWOOD</b>	Marshalls our defence and makes sure we all know it
<b>MATT DEXTER</b>	Big presence and moves the ball well. Nightmare on the line in the pub in the car park on the phone.
<b>JUSTIN MANNERS</b>	Can turn a game in one move and argue for England while he's doing it
<b>OLI COE</b>	Reliable left back who distributes the ball and one line put downs with ease
<b>CAL FLAHERTY</b>	Weaves around the pitch to disrupt defences and brings that evasiveness to the bar
<b>JOE GREGORY</b>	Club Captain swift and committed defender. Not so fast to keep up with dress style.
<b>MIKE SIEMAK</b>	Left midfield he's here there and everywhere including countless trips to the bench questioning everything and anything.
<b>KY BREDWOOD</b>	Tricky fast and awkward to pin down. Much like his unusual handshake which management can't get to grips with
<b>BEN HARRIS</b>	Sweet left foot causing problems from left back or wing. Bites in the tackle, side-line, dressing room, anywhere.
<b>ROB JONES</b>	One yard ahead of the game & out the door with same speed of thought as subs are collected.
<b>LIAM SYMES</b>	Smooth operator glides through a game unnoticed and often goes missing on our away days. Where does he go for those two hours?
<b>JAMIE MANNERS</b>	Difficult to pin down as he twists and turns on the ball and at the Thursday Karoke. Maturity will help in all areas when it comes.
<b>MADHAV RANA</b>	Gets on with his game focused and committed to his game, his game only and as long as he's had a good game it's been a good game.
<b>GLEN BEAGLEY</b>	Swift defender or flank player who quickly finds time to stitch team mates up if it benefits him. Consistently season after season.
<b>CATARINO MENDEZ</b>	Plays with style and pops up with goals and impressions covering a range of wildlife.

### MANAGEMENT / STAFF

<b>EAMONN MANNERS</b>	Realises it's all about the players and enjoys taking a back seat. Manager since 2014...when the trophies started coming in.
<b>MARTIN HARRIS</b>	Clubs ever present lino match day. Honest and straight down the middle. Totally unsuited to Sunday football.

**Want to help run local football?**

We are always on the look-out for volunteers to help run the local clubs and leagues. Want to help but don't have enough time? Well, the more people that help the less there is for everybody to do!

It's not all about sitting in committee rooms debating rules and regulations (although if that is your passion then there is room for that too!), it could be about helping players, referees, clubs or leagues with their administration, maybe helping maintain a website, or chasing that elusive sponsor!

There is something for anybody to get involved with in local football.

If you think you might be interested, why not get in touch to see what you could do to help?

Email the Association Secretary, Martin Castle ([martin.castle4@ntlworld.com](mailto:martin.castle4@ntlworld.com)) to discuss possible ways in which you could help
